VOLUNTEERING

Orkney Athletic Club is run by Volunteers. The success of the Club now and in the future relies upon the goodwill of our club members, their families and our local community.

We need support from parents/adults to ensure that the Club continues to cater for our growing number of athletes.

The Club welcomes and values all volunteers, providing support and training and trying to give volunteers experiences which match their talents, interests and lifestyles.

The following list highlights the main areas where help is regularly needed. Please indicate all those which you feel you could help with, or which you would be willing to be contacted about for further discussion.
